INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 CFR 1.97 and 1.98, and with MPEP Section 609, the materials set forth on the enclosed form PTO/SB/08a are brought to the attention of the Examiner. Copies of the foreign documents are enclosed. Copies of the U.S. documents are not enclosed.

Each of the documents set forth on the International Search Report, which is a part of the published PCT application No. WO 2004/002739, is listed on the PTO/SB/08a form.

WO 01/39977 is the equivalent of U.S. No. 2002/0189470. No discussion of that

English language document is required.

DE 2528008 is the equivalent of GB 1476767. A copy of that English language document is enclosed.

DE 19924786 is the equivalent of U.S. 6,561,094. A copy of that English language document is not enclosed.

CH 345906 does not appear to have an English language abstract or equivalent. It is noted as being an "A" reference; i.e. one showing the general state of the art. It is discussed in the concurrently filed Substitute Specification. The Examiner is invited to review that discussion.

DE 19961574 is the equivalent of U.S. 2002/0178946 and U.S. 2002/0178947. Copies of those English language documents are not enclosed.

JP10-71694 is accompanied by an English language abstract.

The several additional documents discussed in the Substitute Specification, but not also discussed above, are listed on the PTO/SB/08a form.

DE 222 0652; DE 198 54 495 and DE 696 04 065 are all discussed in the Substitute Specification filed concurrently. The Examiner is invited to review those discussions.

Entry of these materials into the file of subject U.S. patent application, and their consideration by the Examiner is respectfully requested.

Respectfully submitted,

Karl Robert SCHÄFER
Kurt Johannes WESCHENFELDER
